

Firm: Prairie Capital Management Group, LLC

Role: Investment Research Analyst

Date: September 23, 2025

Description:

The Investment Research Analyst position is an opportunity to work at an entrepreneurial Kansas City-based registered investment advisor with over \$7 billion in assets under advisement. The role will be part of Prairie Capital Management Group's Investment Research team, which directly interacts with the firm's Investment Committee and Managing Directors. Responsibilities for the position will cover all aspects of the investment research process, including quantitative and qualitative due diligence on investment managers across traditional and alternative strategies, including mutual funds (equity, fixed income, other), hedge funds and private equity (venture capital, growth, buyout, distressed, other). The position provides a unique opportunity to interact with the top investment managers in the world and be part of a team of dedicated professionals with diverse backgrounds that have an average tenure of eleven years.

Responsibilities:

- Generalist role assisting in the evaluation, selection, and ongoing monitoring of investment managers across traditional and alternative strategies.
- Maintaining performance and exposure information related to various investment strategies. Includes analyzing information received from investment managers.
- Communicating directly with Senior Research team members and compiling due diligence materials for the firm's Investment Committee and Managing Directors.
- Assisting with capital markets research.
- Ad hoc investment analysis of existing and prospective investment managers and client portfolios.

Qualifications:

- Bachelor's Degree required. Minimum GPA of 3.5 preferred.
- Highly proficient with Microsoft Excel and PowerPoint required.
- Experience in Microsoft BI preferred.
- Strong work ethic and interest in financial markets and investing.
- Effective written and verbal communication skills.
- Self-motivated, detail oriented and able to work on multiple projects.
- Ability to work independently and effectively on a team.
- Fully authorized to work in the United States.

Primary Location: Kansas City, MO

Schedule: Full time.

Compensation:

- Base compensation plus variable semi-annual bonuses.
- Comprehensive benefits package.

Firm Description:

Prairie Capital Management Group, LLC, a SEC registered investment advisor, was established in response to clients' desire for objective, customized, and innovative wealth management services. What didn't exist at the time had to be built, and the team that came together to serve these families was the beginning of Prairie Capital. Serving clients in over 30 states, Prairie Capital is headquartered in Kansas City, Missouri with a team of approximately 49 professionals with an average team tenure of eleven years. Our clients include high net worth and ultra-high net worth individuals, family offices, foundations, endowments, and other institutions.

Prairie Capital's sole business is wealth management and investment consulting. Our founders recognized early on that the goals, objectives, and aspirations of every client are unique, which is why portfolio and investment plans should be as well. Our investment philosophy focuses on providing sophisticated wealth management services which are customized to meet the needs of each client, while seeking to generate attractive risk-adjusted returns across full market cycles. Services provided include investment management, financial planning, tax and estate planning, coordination with third-party service providers and other family office services.

Prairie Capital employs both traditional and alternative strategies in client portfolios, with a primary goal of matching investment strategies with the unique needs of each client. We emphasize understanding each client's unique needs to ensure we design a comprehensive financial plan that fits both return and risk objectives. Importantly, Prairie Capital is independent from the third-party investment managers utilized in client portfolios.
